Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE SUPPLEMENTAL LAW ENFORCEMENT SERVICES CONTRACT
FOR UJIMA VILLAGE HOUSING DEVELOPMENT (2)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that supplemental law enforcement services to be performed at the Ujima Village housing development, located at 941 East 126th Street in unincorporated Los Angeles County, are excluded from provisions of the California Environmental Quality Act (CEQA), because these services do not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Executive Director of the Housing Authority to execute a one-year Contract, presented in substantially final form, with Platt Security, Inc. for supplemental law enforcement services at the Ujima Village housing development, to be effective following approval as to form by County Counsel and execution by all parties; and to use for this purpose a total of \$60,000 in Ujima Village Operating Funds, allocated by the U.S. Department of Housing and Urban Development (HUD).

3. Authorize the Executive Director to approve amendments to the one-year Contract, following approval as to form by County Counsel, to extend the term of the Contract for a maximum of two years, in one-year increments, at a cost \$60,000 per year, using funds to be approved through the annual budget process.
4. Authorize the Executive Director to execute all necessary administrative amendments to the Contract, as well as any amendments to increase the compensation amount, in an amount not to exceed \$15,000 per year, following approval as to form by County Counsel, to provide for any additional unforeseen needed supplemental law enforcement services, using the same yearly source of funds described above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to approve a Contract for supplemental law enforcement services at the Ujima Village housing development.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The maximum amount for all three years of the Contract, if fully extended, will not exceed the aggregate amount of \$180,000, excluding any contingency monies.

For the first year of services under the Contract, the Housing Authority will use \$60,000 in Ujima Village Operating Funds, allocated by HUD and included in the Housing Authority's approved Fiscal Year 2005-2006 budget.

After the first year, the Housing Authority may extend the Contract for an additional two years, in one-year increments, at the same yearly compensation of \$60,000, contingent upon the availability of Ujima Village Operating Funds. Funds for years two and three of the Contract, if extended, will be included in the Housing Authority's approved budget through the annual budget process.

A 25 percent contingency, in the amount of \$15,000 per year, is also being set aside to cover any unforeseen needed supplemental law enforcement services, using Ujima Village Operating Funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Ujima Village housing development is a 300-unit family and senior complex in the unincorporated Willowbrook area of Los Angeles County, which provides housing for nearly 700 residents. In the past, the Housing Authority has contracted with the Los Angeles County Sheriff's Department for supplemental law enforcement services at

Ujima Village. To continue supplemental law enforcement services, the Sheriff's Department requested that the Housing Authority commit to a one-year contract. However, the Housing Authority is in the process of transferring ownership and management of the Ujima Village housing development to Willowbrook Renaissance Housing Partners L.P. Housing Authority staff is currently facilitating due diligence efforts conducted by the Willowbrook Renaissance Housing Partners L.P. prior to the transfer of ownership. Depending on the outcome of these due diligence efforts, it is anticipated that the ownership of Ujima Village may be transferred sometime in 2007.

Under the proposed Contract, Platt Security, Inc. will provide an estimated 1,011 flexible hours of supplemental law enforcement services per year. Services will include: patrol of the development by car; bike and on foot; continuation of a community policing program with residents; responding to complaints and emergency calls for help; issuing parking and traffic citations; identifying persons involved with gang and drug use-related activities; conducting regular, special, and undercover investigations; making felony and misdemeanor arrests; making daily and monthly reports to Housing Authority management; and attending monthly Anti-Drug/Gang Task Force meetings and other meetings as requested by the Housing Authority. Services will be performed by two officers, each working 16 hours per week.

The Housing Authority can terminate or assign the Contract upon transferring ownership of Ujima Village, ensuring the continuation of a safe living environment for the residents of Ujima Village for the remainder of the time the Housing Authority expects to own and manage the housing development.

Based upon satisfactory performance, this Contract may be extended for a maximum of two years, in one-year increments, subject to availability of Ujima Village Operating Funds.

The proposed services are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) or the General Relief Opportunity for Work (GROW) Programs implemented by the County of Los Angeles. Instead, Platt Security, Inc. must comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Housing Authority has determined that Platt Security, Inc. has fully complied with the requirements of the Living Wage Program and agrees to pay living wage hourly rates to full-time employees providing services under the Contract.

The Contract will be effective following approval as to form by County Counsel and execution by all parties. On February 22, 2006, the Housing Commission recommended approval of this action.

ENVIRONMENTAL DOCUMENTATION:

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (b)(3), this action is excluded from the National Environmental Policy Act, because it involves activities that will not alter existing environmental conditions. The action is not subject to the provisions of the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines 15060 (c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On November 2, 2005, a Request for Proposals (RFP) process was initiated to identify a qualified security services firm to provide the needed services at the Ujima Village housing development. Notices were mailed to 116 firms identified from the Housing Authority's vendor list. Announcements appeared in nine local newspapers and on the County's WebVen website. A copy of the RFP was also posted on the Housing Authority's website. As a result of the outreach, 25 RFP packets were requested and distributed.

On November 10, 2005, three proposals were received and evaluated. Two of the companies did not have the requisite Police Officers Standards and Training certified officers to provide law enforcement service at all Housing Authority housing developments. The proposal submitted by Platt Security, Inc. met the requirements as set forth in the RFP and is, therefore, being recommended for award of the Contract.

The Summary of Outreach Activities is provided in Attachment A.

IMPACT ON CURRENT PROGRAMS:

The Contract will provide the needed supplemental law enforcement services at the Ujima Village housing development.

Respectfully submitted,

CARLOS JACKSON
Executive Director

The Contractor will not subcontract with any subcontractor where the

Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

The Contractor agrees to use recycled-content paper to the maximum extent possible throughout this Contract.

31. CONTRACTOR RESPONSIBILITY AND DEBARMENT

a.

- A. A responsible contractor is a contractor, consultant, vendor or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Housing Authority, Commission, and County to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that if the Housing Authority acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Housing Authority may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on Housing Authority contracts for a specified period of time, which generally will not to exceed five years but may exceed five years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the Housing Authority.
- C. The Housing Authority may debar a contractor, consultant, vendor or operating agency if the Board of Commissioners finds, in its discretion, that the contractor has done any of the following: (1) violated any term of a contract with the Housing Authority, Commission, or County or a nonprofit corporation created by the Housing Authority, Commission, or County, (2) committed an act or omission which negatively reflects on the its quality, fitness or capacity to perform a contract with the Housing Authority, Commission, or County, any other public entity, a nonprofit corporation created by the Housing Authority, Commission, or County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the Housing Authority, Commission, County, or any other public entity.
- D. If there is evidence that the Contractor may be subject to debarment, the Housing Authority will notify the Contractor in writing of the evidence, which is the

basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Housing Authority shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The Housing Authority may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Housing Authority.
- H. The Contractor Hearing Board will consider a request for review of the debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the ground for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of

Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subcontractors and subconsultants of County, Housing Authority, or Commission contractors, consultants, vendors and agencies.

Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.
- C. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify Housing Authority if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Housing Authority's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

- D. Contractor's violation of this Section of the contract may constitute a material breach of the Contract. 33. ACCESS AND RETENTION OF RECORDS

Contractor shall provide access to the Housing Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Housing Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Housing Authority's interest and the interests of the third parties.

35. SEVERABILITY

In the event that any provision herein contained is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Contract and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

36. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

37. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

38. PATENT RIGHTS

The Housing Authority will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

39. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Housing Authority and the Housing Authority holds all the rights to said data.

The Contractor understands that it is the Housing Authority's policy to encourage all Public Agency Contractors to voluntarily post the Los Angeles County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

43. CONTRACTOR'S CHARITABLE CONTRIBUTIONS COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in Attachment C – Required Contract Forms, the Public Agencies seek to ensure that all Public Agencies contractors that receive or raise charitable contributions comply with California law in order to protect the Public Agencies and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

44. COMPLIANCE WITH THE HOUSING AUTHORITY'S LIVING WAGE PROGRAM

This Contract is subject to the provisions of the Housing Authority's policy entitled Living Wage Program, a copy of which is attached in *Appendix D – Required Notices* and incorporated by reference into and made a part of this Contract.

Payment of Living Wage Rates

Unless the Contractor has demonstrated to the Housing Authority's satisfaction either that the Contractor is not an "Employer" as defined under the Program or that the Contractor qualifies for an exemption to the Living Wage Program, the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth

immediately below, for the Employees' services provided to the Housing Authority under the Contract:

- A. Not less than \$9.46 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
- B. Not less than \$8.32 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
 - 1. For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the Housing Authority under the Contract. If the Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract Contract and a copy of the Living Wage Program Policy shall be attached to the Contract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the Housing Authority under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the Housing Authority; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.
 - 2. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
 - 3. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the Housing Authority if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exemption to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the

Housing Authority's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exemption to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the Housing Authority, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

4. **Contractor's Submittal of Certified Monitoring Reports**

The Contractor shall submit to the Housing Authority certified monitoring reports at a frequency instructed by the Housing Authority. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the Housing Authority (*Appendix D – Required Forms*), or other forms approved by the Housing Authority which contain the above information. The Housing Authority reserves the right to request any additional information it may deem necessary. If the Housing Authority requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

5. **Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims**

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the Housing Authority of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the Housing Authority, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

6. **Housing Authority Auditing of Contractor Records**

Upon a minimum of twenty-four (24) hours' written notice, the Housing Authority may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is

required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the Housing Authority shall have access to all such records during normal business hours for the entire period that records are to be maintained.

7. **Notifications to Employees**

The Contractor shall place Housing Authority-provided living wage posters at each of the Contractor's places of business and locations where Contractor's Employees are working. The Contractor shall also distribute Housing Authority-provided notices in English, Spanish and Chinese to each of its Employees at least once per year. The Contractor shall inform the Housing Authority of any other language which is spoken by a significant number of Employees needed.

8. **Enforcement and Remedies**

If the Contractor fails to comply with the requirements of this Sub-paragraph, the Housing Authority shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

Remedies For Submission of Late or Incomplete Certified Monitoring Reports

If the Contractor submits a certified monitoring report to the Housing Authority after the date it is due, if the report submitted does not contain all of the required information is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the Housing Authority may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the Housing Authority may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the Housing Authority, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the Housing Authority. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the Housing

Authority may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the Housing Authority has been provided with a properly prepared, complete and certified monitoring report. The Housing Authority may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

1. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract.
2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the Housing Authority may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the Housing Authority may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The Housing Authority may withhold said amount until the Contractor has satisfied the Housing Authority that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the Housing Authority. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the Housing Authority may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The Housing Authority may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract.
- d. Debarment. In the event the Contractor breaches a requirement of this Sub-paragraph, the Housing Authority may, in its sole discretion, bar the Contractor from the award of future Housing Authority contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.
- e. Use of Full-Time Employees.
The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the Housing Authority that it is necessary to use non-full-time Employees based on staffing efficiency or Housing Authority requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the Housing Authority has provided written authorization for the use of same. The Contractor submitted with its bid/proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the Housing Authority.

Contractor Retaliation Prohibited.

- f. The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the Housing Authority or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract.
- g. Contractor Standards.
During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the Housing Authority, the Contractor shall demonstrate to the satisfaction of the Housing Authority that the Contractor is complying with this requirement.

- b. Contractor shall offer employment to all retention employees who are qualified for such jobs. A "retention employee" is an individual:
 - 1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and
 - 2. Who has been employed by a Contractor under a predecessor LWP contract with the Housing Authority for at least six months prior to the date of this new Contract, which predecessor contract was terminated by the Housing Authority prior to its expiration; and
 - 3. Who is or will be terminated from his or her employment as a result of the Housing Authority entering into this new contract.
- c. Contractor is not required to hire a retention employee who:
 - 1. Has been convicted of a crime related to the job or his or her performance; or
 - 2. Fails to meet any other Housing Authority requirement for employees of a Contractor.
- d. Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, Contractor may retain a retention employee on the same terms and conditions as Contractor's other employees.

Neutrality in Labor Relations.

- e. The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

45. WARRANT OF AUTHORITY

The undersigned for the Contractor warrants and represents that he has full authority to sign this Contract on behalf of the Contractor, and to bind the Contractor.
